Hudson Valley Community Power

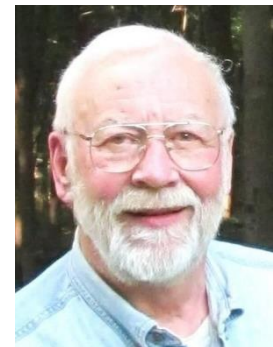

SAVE MORE, SIGN UP FOR COMMUNITY SOLAR

Community choice aggregation & community solar
work together to reduce electricity costs and carbon emissions

- **Electricity savings**
- **Support local renewable energy**
- **Active enrollment required**
- **No rooftop panels required**
- **No sign-up or cancellation fees**

AND

- *Central Hudson still delivers your electricity*
- *Every enrollment through Hudson Valley Community Power raises money for a Clinton Sustainability Fund*

"Both the CCA Program and Community Solar are a win-win-win for everyone; they save people money and increase clean energy use in New York State, particularly here in the Hudson Valley. If you sign up for Community Solar through HVCP, you enjoy additional savings on your electric bill and the Town gets money to help fund a sustainability project."
